PROFESSIONAL EXPERIENCE

Digital Preservation Network Manager Council of Prairie and Pacific University Libraries, 2015-2017 [0.5 FTE secondment from the University of Victoria]

- Lead the development of a technical and policy infrastructure to support long term preservation of digital objects for all COPPUL members.

Systems Librarian University of Victoria, 2012-

- Systems responsibilities include working with key stakeholders to develop, implement, maintain and enhance a wide range of library technologies.
 - Actively involved in the Libraries' digital preservation initiatives and digitization projects, with expertise in Archivematica, LOCKSS, the Open Archival Information System (OAIS) Reference Model, and preservation-related metadata and other standards such as PREMIS, METS, MODS, and BagIt
 - Oversees the Libraries' web archiving initiative (Archive-it)
 - Technical lead for the Integrated Library System (Voyager) and actively involved with the management of web-scale discovery (Summon, OCLC)
 - Technical lead for the Institutional Repository (DSpace)
 - Technical lead for the Libraries website
 - Technical lead for all Public Knowledge Project software, including Open Journal Systems (OJS), Open Conference System (OCS), and Open Monograph Press (OMP)
- (2012-2015) Subject responsibilities for Business and Economics include departmental liaison, classroom instruction, assisting users with the use of information resources, and participating in the development and assessment of library collections.

Technical Services Librarian Royal Roads University, 2008-12

- Library lead for all major technology projects.

- Responsible for supervising all cataloguing and other Technical Services staff, which included work planning, performance reviews, and performance management.
- Systems administrator for the Library's Integrated Library System (Voyager).
- Oversaw all metadata creation, production, and workflow, based on applicable standards such as MARC, AACR2, Dublin Core, and OAI-PMH.
- Oversaw monograph acquisitions budget and coordinated the purchasing activity of liaison librarians.
- Oversaw an evolving online book collection of over 120,000 titles.
- Participated in outcomes-based Library instructional programming to students in all programs.
- Provided online and in-person research support for students and faculty.
- Liaison librarian for the School of Environment and Sustainability.

Systems and Reference Librarian Langara College, 2006-2008

- Managed workflow and technology for alternate format production, including electronic distribution, and cataloguing and resource management via Innovative's WebPAC Pro.
- Developed and monitored best practices for cataloguing.
- Supervised copy cataloguing and performed complex and original cataloguing using MARC, AACR2, LCSH and LCC.
- Liaised with colleges and print disabled students throughout the province on adaptive technologies and alternate format usage.

Academic Liaison and Systems Librarian BC Open University/Thompson Rivers University, 2003-2006

- Managed and facilitated access to all electronic resources.
- Managed the library website.
- Identified and incorporated innovative technologies into the organization as a whole, including virtual reference and dynamic in-course content generation via RSS.
- Delivered training and information sessions for faculty and staff.
- Provided research and reference services in person, by telephone and online to students, faculty and staff.

Course Consultant Department of Arts and Sciences, BC Open University, 2004

- Provided subject expertise for the creation of a web-based information literacy course targeting online learners.

Learning Objects Coordinator Information Services, UBC Library, 2002-03

- Coordinated UBC Library's Learning Objects Initiative for the delivery of web-based library instruction. Involved project management, campus-wide liaising, intellectual property management, instructional design and expertise in learning objects metadata.

Graduate Academic Assistant Xwi7xwa Library, UBC, 2002-03

- Performed original and copy cataloguing using DRA Classic.
- Created and delivered face-to-face library orientations.
- Provided reference services in person, by telephone and online.

- Maintained the library website.

Library Assistant Yukon Archives and Libraries, Whitehorse, 2001

- Performed original and copy cataloguing using SIRSI.
- Directed a major data conversion project to successfully digitize the Yukon Subject Headings.
- Provided in-depth research and reference services for culturally-diverse clients.

Graduate Academic Assistant Museum of Anthropology Archives, UBC, 2000-01

- Provided in-depth research and reference services.
- Developed and maintained databases.

PROFESSIONAL DEVELOPMENT

- Metadata, data curation, and data modeling for visual and material culture. (2015). University of Rochester, Rochester, NY.
- RDF and linked open data. (2015). Digital Humanities Summer Institute. University of Victoria, Victoria, BC.
- Perl Workshop. (2013). Access 2013 Conference, McGill, Montreal, QC.
- PMO training certificate. (2013). Project Management Office, University of Victoria, Victoria, BC.
- Certificate in large project planning and development. (2013). Digital Humanities Summer Institute. University of Victoria, Victoria, BC.
- Leadership skills. (2007). Langara College, Vancouver, BC.
- Creating a comprehensive plan for information literacy. (2007). Association of College and Research Libraries (ACRL) [online].
- Instructional skills workshop. (2006). British Columbia Institute of Technology, Vancouver, BC.
